

DEVOTED PATRON OF ALBERTA THEATRE PROJECTS WILL SPEND THE SUMMER CRUISING AROUND LOOKING SMART

(l-r) Greg Epton, Christine Neil and Emiko Muraki (Alberta Theatre Projects)

Calgary, AB – As the third Early Bird winner in Alberta’s Ultimate Mercedes-Benz Lottery 5, Christine Neil will certainly enjoy cruising around in her new, red smart fortwo coupé this summer. After subscribing to Alberta Theatre Projects for over fifteen years, Mrs. Neil was shocked to hear that she was the winner of the smart fortwo coupé Early Bird draw on May 11th, 2009. Mrs. Neil was thrilled and speechless when she received the news, especially since Alberta Theatre Projects is her “favourite theatre company”.

Mrs. Neil accepted the car from Managing Director, Greg Epton, and stated that she never buys lottery tickets expecting to win. In fact, she is such a devoted supporter of Alberta Theatre Projects that she admits to buying tickets for previous draws even when she was not really interested in the prize and instead put a friend’s name on the ballot.

The Neil family has also hosted actors from out of town for the company in their home, the most recent of which performed in the 23rd Annual playRites Festival of New Canadian Plays. It is important to the Neil family not only to support Alberta Theatre Projects but to take the opportunity to become involved any way they can.

Mrs. Neil is also a fan of the smart fortwo coupé and is looking forward to reducing her carbon footprint and fuel consumption. Other features of the two person vehicle that appeal to her include the compact size of the car and the multitude of parking spaces that will now be available to her. She divulges that she thinks “the little car will be perfect for her two little dogs and her to zip around in all summer long”.

The highly anticipated Mercedes-Benz Grand Prize Draw will mark the climactic finale of this year’s Lottery on July 15, 2009. The Grand Prize winner will have the choice between a 2009 Mercedes-Benz SLK 350 Roadster (valued at \$73,500), a 2009 Mercedes-Benz ML 320 BlueTec SUV (valued at \$73,500), or \$55,000 tax free cash.
