LEGACY Backstage Tours Booking Form

An ATP LEGACY Program

Bring your class right into our theatre!

WHAT IS A BACKSTAGE TOUR?

ATP's LEGACY program invites you to expand your classroom and welcomes you behind the scenes of the Martha Cohen Theatre! Our Backstage Tours bring your class right into our theatre, where you and your students will explore the wings of our stage, the sights and sounds of our production shops, a glimpse of the action in the rehearsal hall and the ups and down of our theatre. They have read about it and heard about it; now let your students experience the magic of the theatre by spending a morning or afternoon in our house.

Backstage Tours are a great way to introduce your students to theatre, to help them gain perspective of how a production goes from conception to realization and to give them a field trip they'll never forget!

BOOKING A TOUR

To book a Backstage Tour, simply contact or fax this form back to:

Anna Lake
LEGACY Coordinator
