LEGACY Classroom Connections Visit Booking Form

An ATP LEGACY Program

Bring the artists right into your classroom!

WHAT IS A CLASSROOM VISIT?

The LEGACY program brings the ATP artists and staff straight into your classroom, free of charge. This is ATP's way to create a deeper connection with the community in which we live and engage the experience of theatre for new audiences. Arranging a classroom visit is a once in a lifetime opportunity for your students to meet theatre professionals including actors, technicians, designers and directors, face to face. This is truly an up close and personal interaction with some of Calgary's most talented theatre practitioners!

Book a Classroom Connections visit to accompany your Student Matinee trip or book a visit to help educate your students on the ins and outs of the always exciting theatre world.

FEEDBACK

".....Thank you so much for the opportunity, the children were completely enthralled and have been talking about it ever since. They have been singing in the hall to 'yo ho ho and a bottle of rum'. It is really quite amusing...."
